MEMORANDUM FOR DISTRIBUTION

SUBJECT: Peace and Stability Operations Training and Education Workshop, March 24-27, 2014

Dear Educators, Practitioners, Planners and Trainers:

The Office of the Deputy Assistant Secretary of Defense for Readiness is pleased to announce the Peace and Stability Operations Training and Education Workshop has been approved. The event will be held March 24-27, 2014, at the George Mason University campus in Arlington, Virginia.

This annual gathering of trainers, educators, and practitioners will meet for its eighth year to maintain and expand common understanding and linkages between the broader non-military communities of practice for building partner capacity, stability operations, and international disaster preparedness.

This workshop will build understanding and cooperation across communities; create linkages for advancing leader development; advance an interagency training and education process; and increase understanding of joint challenges and perspectives. Additional information is available at <http://pksoi.army.mil/conferences/psotew/>.

On behalf of all of the stakeholders, I encourage your participation and look forward to engaging with you.

Sincerely,
